

SOLAR STIK™

180 WATT PURE SINE WAVE INVERTER TECHNICAL SPECIFICATIONS

ITEM # 005036

Overview:

Introducing the smallest Pure Sine Wave inverter available today! This amazing little inverter can go anywhere you do, as it can fit in the palm of your hand, or in the lid organizer of any Power Pak!

This little gem is rugged, compact, and lightweight. The metal casing protects it during punishing conditions.

Continuously supplies up to 180 watts of 120V AC power from any 12V Power Pak or automotive DC source.

Convenient cigarette lighter DC input jack or alligator clips provide easy installation.
